How to create a Story Remix project

If you want to create a video with images and videos from scratch, you can use these steps:

1. Open Photos.
2. Click the Create button in the top-right corner.
   
   - **Quick Tip:** You can also select the images first, and then click the Add to button to create a new project.
3. Click the Video project option.

4. Select the image and videos you want to use in the project.
5. Click the Add button in the top-right corner.
6. Type a name for the project.
7. Click the **Create video** button.

After completing the steps, the video editor will open so you can edit, preview, and share your creation.
